At St Michael's on 27th September we are celebrating both harvest and the completion of the first phase of our church repair and renovation. We hope that nearly all the windows will be back by then !

So come and see all that has been done during the spring and summer. The outside has had a complete face lift and two new buttresses; inside, the organ is now in the Nave and the north Aisle is opened up for social use. The renovated windows are a revelation. The panelling is renewed, the ceiling painted and a photographic record of the work by Roger Gibbons will be on display.

The day closes with a service of thanksgiving for his ministry in Kirkby Thore and the heart of Eden led by Philip Rushton, his last service here before he and Darryl move to Richmond.
